This report consists of : - 6 - pages

1. In accordance with the procedures at reference, EADRCC has received on 13 April 2012 a disaster assistance request from Turkey dated 13 April 2012 19:09 UTC.

2. United Nations Organisations and the European Union have also received a formal request from Turkey.

3. General Situation

3.1. Recent events in Syria have resulted in a flow of Syrian refugees into Turkey and refugee camps have been set up on the Turkish side of the Syrian border. Turkey is putting every effort to meet the needs of the Syrian refugees to the extent possible making full use of its means and capabilities.

3.2. On 24 – 25 April 2012, 588 Syrian citizens voluntarily returned home and 157 Syrian citizens arrived in Turkey.

3.3. The number of refugees arriving from Syria is **39.910** and the number that have returned to Syria is **16.567**.

3.4. **As of 25 April 2012 23.294 people have being sheltered in Turkey**:

- **7.148 Syrian Citizens in Hatay;**
- **5.739 Citizens in Gaziantep (Nurdağı-Islahiye);**
- **9.627 Citizens in Kilis;**
- **780 Citizens in Şanlıurfa**.

3.5. **Fourty nine** (**49**) people have been in hospitals, **34** of whom are injured. Included the injured, the total number of Syrian Citizens in Turkey is **23.343.**

3.6. Preschool, primary and secondary education has being provided with 35 classes for 805 Syrian Citizens, 420 of them are girls and 385 are boys. Moreover, activities aimed to provide 3.561 Syrian children and youth in Kilis, to start education are in progress.

4. National resources available for disaster response and measures taken:

4.1. In response to displacement from Syrian Arab Republic to Turkey, it has been provided services such as sheltering, food, health, security, social activities, education, worship, communication and other services in tent cities and containers with related organizations and institutions within the coordination of Turkish Presidency.

4.2. Syrian Citizens have been sheltered in 9 tent cities and a container city established by Turkish Prime Ministry AFAD. Four (4) tent cities in Altınözü and Yayladağı of Hatay Province, 3 tent cities in Reyhanlı, Apaydın and Karbeyaz, a tent city in Caylanpınar of Şanlıurfa Province, a tent city in İslahiye of Gaziantep Province and a container in Kilis, has a capacity to shelter 12.000 people, have been established.

4.3. Hot meals have being supplied for Syrian Citizens three times a day.

4.4. However, upon the considerable increase in number of refugees, the Turkish authorities have decided to accept offers by the international community to share the burden.

5. Assistance provided by EAPC nations and international organisations:

5.1. The United Nations` Syria Regional Response Plan outlines current and future needs for some 100,000 Syrian refugees over six months. Led by UNHCR, the plan is a result of a coordinated effort between seven UN agencies, 27 national and international NGOs and partners, and host governments.

5.2. The UNHCR providing technical support as well as thousands of tents and tens of thousands of blankets to the refugee camps in Turkey.

5.3. Austria has made an offer for assistance listed below:

- 25 family tents (cotton);
- 480 blankets (200x150cm);
- 300 kitchen sets (family of 5 persons, type A ,IFRC Standard).

This assistance, provided by AUSTRIA through EU CP Mechanism, has been meanwhile accepted by Turkey. The equipment will be shipped to Adana in the course of this week. This operation is expected to be completed by end of next week.

5.4. Norway has offered financial contribution to support the setup/running of refugee camps in Turkey. Funding will be channeled to the Turkish Red Crescent via the Norwegian Red Cross. The amount of the contribution is not yet decided.

5.5. Israel has offered mostly medical aid to Syrian refugees in Turkish camps. This offer is currently being negotiated between Israel and Turkish authorities.
