Dear Manlio

In your letter PO/67/132 of 27 February you asked for the names of representatives for the Special Group to discuss the future tasks of the Alliance.

2. I have been instructed to inform you that until further notice I am to represent the United Kingdom in this Group. Consequently, at the meeting of 6 March I shall be the U.K. Representative.

3. At the same time my authorities understand that on appropriate occasions in the course of the Group's work it may be desirable for a Minister to attend as the U.K. Representative.

Yours sincerely
