

APH(67)150NATO UNCLASSIFIED

30 May, 1967

To: Mr. Menne
From: Acting ASG for Economics and Finance
c.c.: Dr. Bühling
Subject: Date of Meeting of Sub-Group 3 of the Special Group
on the Future Tasks of the Alliance

As the letter of 24 May on this subject from the U.S. Delegation was addressed to the Executive Secretary, presumably either you or he will be replying on behalf of the International Staff as a whole.

2. I suggest that the "delegation" from the International Staff should consist of Dr. Bühling, Mr. Thiebault and myself. So far as Dr. Bühling and I are concerned, the second week in October would be more convenient than the first - we hope to attend a symposium that SACLANT is organising at Greenwich on October 3 - 5. Naturally, however, if it turned out that a majority of members of the Sub-Group preferred the first week in October, we should adjust our arrangements so as to fit in with this.

A.P. Hockaday.
