DRAFT

State of New York

To the Members of the Special Group

The rapporteurs of Sub-Groups 1 to 4 have submitted to me their reports on the various subjects of their assignment. They are attached for consideration in the Special Group.

2. In accordance with the instructions of the North Atlantic Council that the rapporteurs should try to coordinate their reports, I met with them ^{separately, 12/20/67} at Ditchley on 11 October, 1967. At that time I had prepared the attached résumé of their reports as a possible help to the members of the Special Group ^{in their work} in drafting their report to the Ministers. We agreed at that meeting that this résumé highlights the essential points of the four reports; but it is not regarded by the rapporteurs as a substitute for their documents, nor do I regard it as committing either them or myself.

This résumé is a help to the rapporteurs in drafting their report to the Ministers.
