**REQUEST FOR ASSISTANCE FOR POSSIBLE EMERGENCY SITUATION
IN TURKEY
(Report number 01 - 04 MAR 03)**

1. General information

1.1. On 3rd March 2003, the Euro-Atlantic Disaster Response Coordination Centre (EADRCC) received a request for assistance from Turkey. The request relates mainly to capabilities that might be needed by medical teams, civil protection teams and airport personnel to deal with the consequences of possible chemical or biological attacks against the civilian population. It also includes items that might be needed to deal with the consequences of population movements towards Turkey.

1.2. In accordance with its established procedures, the EADRCC is promulgating this initial request to its Points of Contact in EAPC nations. Also, in a manner consistent with its established mandate, the Centre is already actively following up the Turkish request. Requests covering additional items will be circulated shortly.

1.3. The Turkish Authorities have informed the EADRCC that training and education in all aspects of NBC protection, especially detection and decontamination, are of utmost importance. Therefore, Nations are invited to provide such assistance to Turkey.
