This report consists of : -5- pages

1. Situation update:

1.1 A total of 38 people, including eight children, are dead or listed as missing, 498 people are confirmed as having been injured.

1.2 Ukrainian authorities fear the floods could cause a serious health problem in the worst-hit Ivano-Frankovsk Region in western Ukraine, where almost 20 livestock burial zones, 38 cemeteries and four garbage disposal sites have been flooded. All the potential sources of infection have been cordoned off.

1.3 Due to bad weather conditions on 4 August 2008 189 settlements in six Oblasts of Ukraine were cut off from electricity.

2. Resources available for disaster response and measures taken:

2.1 National authorities are taking measures for elimination of the consequences of the ecological catastrophe in all 6 regions affected by the flood.
