EADRCC SITUATION REPORT No. 2 MONTENEGRO – FLOODS

Message N°. : OPS(EADRCC)(2010)0141
Dtg : 09 December 2010, 09:10 UTC
From: : Euro-Atlantic Disaster Response Coordination Centre
To : Points of Contact for International Disaster Response in NATO and
Partner Countries
Precedence : Priority
Originator : Duty Officer Tel: +32-2-707.2670
Approved by : Acting Head EADRCC Tel: +32-2-707.2673
References : Request for Assistance,
OPS(EADRCC)(2010)0136

This report consists of : -4- pages

1. Situation update:

1.1 Due to continuous rainfall since mid-November 2010, water levels in the lakes and on the rivers have been rising. As a result 12 Montenegrin municipalities (out of 21) have been continuously flooded.

1.2 All lines of communication from the capital to the North of the country are cut off.

1.3 Currently, approximately 7000 inhabitants have been evacuated and about 2000 buildings/houses have been flooded.

1.4 The displaced people have been sheltered in the relatives' and friends' houses, as well as in the military facilities, sport's halls and other shelters.

1.5 *Activities on strengthening the embankment, draining the water from the objects, cleaning the roads, as well as assisting the endangered population that has been affected are still ongoing.*

1.6 *In the middle region of the country - in the city districts of Golubovci and Tuzi the level of the Skadar Lake is decreasing. The roadway Podgorica-Bar is closed for traffic for all motor vehicles, while the traffic is cut off toward the Republic of Albania at the border crossing in Bozaj and Sukobin.*

NON - CLASSIFIED

1.7 On the southern part of the country - The level of river Bojana is in slight decrease. The works on strengthening the protective embankment at the river Bojana are ongoing so that the protecting dam could completely fulfill its function.

2. Measures taken by Montenegrin authorities.

- 2.1. The rescue operations and evacuation have been carried out by the Montenegrin Armed Forces, the Police Directorate and the Civilian Rescue Agency. The operations have been carried out by the Ministry of Interior.
- 2.2. The affected population is constantly helped by supplying food, water, hygienic means and forage. The evacuation of population, livestock and properties, and the provision of health care are still continuing.

3. The following requirements for international assistance have been identified:
