This report consists of : - 6 - pages

1. In accordance with the procedures at reference, EADRCC has received on 13 April 2012 a disaster assistance request from Turkey dated 13 April 2012 19:09 UTC.
2. United Nations Organisations and the European Union have also received a formal request from Turkey.

3. General Situation

3.1. From April to August, the overall number of refugees has more than tripled. According to UNOCHA, Turkey's closure of its borders to commercial traffic has not affected access for refugees. However, many of the recent arrivals have fled from Aleppo, reporting difficulties en route, including snipers and roadblocks. Almost 45,000 refugees are now in the country. Official figures provided by the Government of Turkey suggest that the total camp population has increased by nearly 80 % over the last 2 months. Food assistance and health services continue to be provided by the Turkish authorities. UNHCR is providing core relief items for emergency shelter.

3.2. On 30 – 31 July 2012, 532 Syrian citizens voluntarily returned home and 525 Syrian citizens arrived in Turkey.

3.3. The number of refugees arriving from Syria is **73.587** and the number that have returned to Syria is **29.549**.

3.4. **As of 31 July 2012, 43.679 people have being sheltered in Turkey:**

- **10.808 Syrian Citizens in Hatay;**
- **7.502 Citizens in Gaziantep (Nurdağı-Islahiye);**
- **12.032 Citizens in Kilis;**
- **13.337 Citizens in Şanlıurfa.**

NON - CLASSIFIED

3.5. Three hundred fifty nine (359) people have been in hospitals, **320** of whom are injured. Included the injured, the total number of Syrian Citizens in Turkey is **44.038**.

3.6. Preschool, primary and secondary education has being provided for 4.511 Syrian children and youth in total (with 35 classes for 805 students in Hatay, 420 of them are girls and 385 are boys, with 64 classes for 2.690 students in Kilis, with 4 preschools and 4 classes for 416 students in Gaziantep and with 12 classes for 600 students in Şanlıurfa).

4. National resources available for disaster response and measures taken:

4.1. In response to displacement from Syrian Arab Republic to Turkey, it has been provided services such as sheltering, food, health, security, social activities, education, worship, communication and other services in tent cities and containers with related organizations and institutions within the coordination of Turkish Presidency.

4.2. Syrian Citizens have been sheltered in 9 tent cities and a container city established by Turkish Prime Ministry AFAD. Four (4) tent cities in Altınözü and Yayladağı of Hatay Province, 3 tent cities in Reyhanlı, Apaydın and Karbeyaz, a tent city in Caylanpınar of Şanlıurfa Province, a tent city in İslahiye of Gaziantep Province and a container in Kilis, has a capacity to shelter 12.000 people, have been established. According to Mass Media 3 extra tent camps are in process of establishing which have a capacity to shelter around 30.000 people.

4.3. Hot meals have being supplied for Syrian Citizens three times a day.

4.4. However, upon the considerable increase in number of refugees, the Turkish authorities have decided to accept offers by the international community to share the burden.

5. Assistance provided by EAPC nations and international organisations:

5.1. The United Nations` Syria Regional Response Plan outlines current and future needs for some 100,000 Syrian refugees over six months. Led by UNHCR, the plan is a result of a coordinated effort between seven UN agencies, 27 national and international NGOs and partners, and host governments.

5.2. The UNHCR providing technical support as well as thousands of tents and tens of thousands of blankets to the refugee camps in Turkey.

5.3. The United Nations Central Emergency Response Fund (CERF) has disbursed 2 mln USD for the refugee camps in Turkey.

5.4. Austria has made an offer for assistance listed below:

- 25 family tents (cotton);
- 480 blankets (200x150cm);
- 300 kitchen sets (family of 5 persons, type A ,IFRC Standard).

This assistance, provided by AUSTRIA through EU CP Mechanism, has been meanwhile accepted by Turkey. The equipment was delivered to Adana on 3 of May 2012.

5.5. On 06 June 2012 the Republic of Croatia provided financial contribution in the amount of 50 000 US\$ to the Prime Ministry Syria Aid Account.

5.6. France sent an assistance with:

- 75 family tents;
- 600 blankets;
- 216 kitchen sets.

This assistance, provided by France through EU CP Mechanism, has been meanwhile accepted by Turkey. The equipment was delivered to Turkey on 5 of May 2012.

5.7. On 17 April 2012 Hungarian authorities made an offer through the European Civil Protection Mechanism, which has been accepted by the Turkish Authorities. The offer consisted of:

- 5.000 blankets;
- 709 bed sheets.

The cargo with these items departed from Hungary on the 30 May and arrived to the International Disaster Delivery Centre in Adana on the 3 June 2012.

5.8. Israel has offered mostly medical aid to Syrian refugees in Turkish camps.

5.9. Norway has sent financial contribution in amount of 10 mln. Norwegian crowns (approx. 1,25 mln. €) to support the setup of refugee camps in Turkey to the Turkish Red Crescent via the Norwegian Red Cross.

6. The following requirements for international assistance have been identified:

6.1. Nations are invited to consider donating the required equipment below:
