3.5. **Until today 675 people have been in hospitals, 573 of whom are ill or injured.** The total number of Syrian Citizens present in Turkey is **100.363**.

4. National resources available for disaster response and measures taken:

4.1. In response of displacement of people Syrian Arab Republic to Turkey, they have been provided services such as sheltering, food, health, security, social activities, education, worship, communication and other services in tent cities and containers with related organizations and institutions within the coordination of the Turkish Presidency.

4.2. **Syrian citizens have been sheltered in 13 tent cities and a container city established by Turkish Prime Ministry AFAD.** In total **13 tent cities** and 1 container city with a total capacity to shelter 12.000 people have been established: 5 in Hatay, 2 in Şanlıurfa, **3 in Gaziantep**, 1 in Kahramanmaraş, 1 in Adiyaman, 1 in Osmaniye and 1 container city in Kilis.

4.3. Hot meals have been supplied for Syrian Citizens three times a day.

4.4. However, upon the considerable increase in the number of refugees, the Turkish authorities have decided to accept offers by the international community to share the burden.

4.5. The number of people waiting across the borders of Kilis and Hatay increased and it is estimated to be app. 14.000 (8.000 at Kilis and 4.000 at Hatay borders).

5. Assistance provided by EAPC nations and international organisations:

5.1. The United Nations Syria Regional Response Plan outlines the current and future needs for some 100,000 Syrian refugees over six months. Led by UNHCR, the plan is a result of a coordinated effort between seven UN agencies, 27 national and international NGOs and partners, and host governments.

5.2. The UNHCR is providing technical support as well as thousands of tents and tens of thousands of blankets to the refugee camps in Turkey.

5.3. The United Nations Central Emergency Response Fund (CERF) has disbursed 2 million USD for the refugee camps in Turkey.

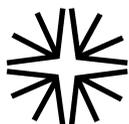

5.4. Austria has made an offer for assistance listed below:

- 25 family tents (cotton);
- 480 blankets (200x150cm);
- 300 kitchen sets (family of 5 persons, type A ,IFRC Standard).

This assistance, provided by AUSTRIA through EU CP Mechanism, has been meanwhile accepted by Turkey. The equipment was delivered to Adana on 3 May 2012.

5.5. **The Belgian Council of Ministers has approved a sum of 500.000 euro, to be donated to the Turkish official humanitarian aid agency. The funds will be used to build a school for 180 pupils.**

5.6. On 06 June 2012 the Republic of Croatia provided a financial contribution in the amount of 50 000 USD to the Prime Ministry Syria Aid Account.

5.7. France sent assistance to Turkey through EU CP Mechanism on 5 May and 13 August 2012.

The total assistance provided by France consists of:

- 315 family tents;
- 1.620 blankets;
- 704 kitchen sets.

5.8. On 17 April 2012 Hungarian authorities made an offer through the European Civil Protection Mechanism, which has been accepted by the Turkish Authorities. The offer consisted of:

- 5.000 blankets;
- 709 bed sheets.

The cargo with these items departed from Hungary on 30 May and arrived at the International Disaster Delivery Centre in Adana on the 3 June 2012.

5.9. Israel has offered mostly medical aid to Syrian refugees in Turkish camps.

5.10. Norway has sent a financial contribution in the amount of 10 mln. Norwegian crowns (approx. 1,25 mln. €) to support the setup of refugee camps in Turkey to the Turkish Red Crescent via the Norwegian Red Cross.
