Press Release

**Spokesperson KFOR, Captain (Navy) Dr. Hans Dieter Wichter,
regarding reports about documents relating to a former KLA-member**

“Yesterday’s news media published document alleged to be a classified document produced by KFOR. The press reports cite that the documents may have been produced from 2004 and before. KFOR has initiated an internal investigation about the origin of this document and other questions related to it. Because the matter is under investigation, we cannot comment on the reports that appeared online or in the news media.”
