KFOR sharply rejects allegations that a Political Advisor apologized on behalf of Commander KFOR

Spokesman KFOR Dr. Hans-Dieter Wichter sharply rejects a report that a political advisor of Commander KFOR has apologised for alleged statements to Mr. Krstmir Pantic of Mitrovica.

It is not true that a political Advisor of General Bühler or another authorised person has communicated an apology to Mr. Pantic. This is purely invented.

There is no reason to apologise to either Mr. Pantic or to anybody else on the Serbian or Kosovan sides. Commander KFOR is impartial and has always acted according to his task to provide a Safe and Secure Environment and Freedom of Movement everywhere and for all people in Kosovo. During the last two weeks it is due to his impartial commitment that peace could be maintained and major outbreaks of violence avoided.
