

Allied Command Transformation

(1) This diagram does not depict the internal organisation of the HQ SACT.
 (2) It could also provide a European-based interface for other transformation processes.
 (3) Transformation implementation requires adaptation of existing relationships between the NATO HQ, several NATO agencies, many non-NATO entities and both Strategic Commanders.

(4) Centres of Excellence offered by nations:
 (A) NBC, CZ
 (B) Cold Weather, NO
 (C) Demining, SP
 (D) Tactical Air, TU
 (E) Counter-Terrorism, TU
 (F) PFP Training, TU
 (G) Joint Air Power Competence, GE
 (H) C2 Support, NL
