COMMUNIQUE DE PRESSE
M-DPC-2(88)74

PRESS RELEASE
M-DPC-2(88)74

DONNEES ECONOMIQUES ET FINANCIERES CONCERNANT LA DEFENSE DE L'OTAN

FINANCIAL AND ECONOMIC DATA RELATING TO NATO DEFENCE

1er décembre 1988

1st December, 1988

DEFENCE EXPENDITURES OF NATO COUNTRIES

1970 - 1988

The figures given in Table 1 represent payments actually made or to be made during the course of the fiscal year. They are based on the NATO definition of defence expenditures. In view of the differences between this and national definitions, the figures shown may diverge considerably from those which are quoted by national authorities or given in national budgets. For countries providing military assistance, this is included in the expenditures figures. For countries receiving assistance, figures do not include the value of items received.

France is a member of the Alliance without belonging to the integrated military structure; the relevant figures are indicative only.

Iceland has no armed forces.

SUMMARY

-
- Table 1 : total defence expenditures
 - Table 2 : defence expenditures as % of GDP
 - Table 3 : GDP and defence expenditures per capita
 - Table 4 : equipment expenditures as % of defence expenditures
 - Table 5 : armed forces

READER'S GUIDE

To suppress any ambiguity the fiscal year has been designed by the year which includes the most number of months: e.g. 1985 represents the fiscal year 1985/1986 for Canada and U.K. and the fiscal year 1984/1985 for U.S.

Because of rounding, the total figures may differ from the sum of their components.

Conventional signs:

- e estimate
- nil
- .. not available

DEPENSES DE DEFENSE DES PAYS DE L'OTAN

1970 - 1988

Les chiffres indiqués dans le tableau 1 sont fondés sur la définition OTAN des dépenses de défense et représentent les paiements réellement effectués ou qui doivent l'être au cours de l'année fiscale. Ces chiffres peuvent accuser des variations sensibles par rapport aux chiffres correspondants qui figurent dans les documents budgétaires nationaux, en raison des différences existant entre les définitions nationales et la définition OTAN des dépenses de défense. Les données relatives aux pays qui fournissent une assistance militaire incluent les dépenses liées à cette assistance. En revanche celles-ci ne sont pas comptabilisées dans les dépenses des pays bénéficiaires.

Membre de l'Alliance, la France ne fait pas partie de la structure militaire intégrée; les données concernant la défense n'ont qu'une valeur indicative.

L'Islande n'a pas de forces armées.

SOMMAIRE

-
- Tableau 1 : montant des dépenses de défense
 - Tableau 2 : part des dépenses de défense dans le PIB
 - Tableau 3 : PIB et dépenses de défense par habitant
 - Tableau 4 : part des dépenses d'équipement dans les dépenses de défense
 - Tableau 5 : forces armées

GUIDE DE LECTURE

Pour supprimer toute ambiguïté, l'année fiscale a été désignée par le millésime de l'année qui comprend le plus grand nombre de mois; p.e. 1985 représente l'année fiscale 1985/1986 pour le Canada et le Royaume-Uni et l'année fiscale 1984/1985 pour les Etats-Unis.

Du fait des arrondis, les totaux peuvent ne pas coïncider avec la somme de leurs composantes.

Signes conventionnels:

- e estimation
- rigoureusement nul
- .. non disponible
- . point décimal

Note:

* In addition to defence expenditures (NATO definition), the German authorities are obliged to incur large expenditures for Berlin owing to the exceptional situation of this city and the need in the interest of the free world to ensure its viability. These expenditures, which are not included in the figures given above since they do not come within the NATO definition, are forecast to be 16785 million DM in 1988.

Note:

* En plus des dépenses de défense (définition OTAN), les autorités allemandes doivent effectuer d'importantes dépenses pour Berlin, eu égard à la situation exceptionnelle de la ville et la nécessité, dans l'intérêt de la défense du monde libre, d'assurer sa sécurité. Ces dépenses, de l'ordre de 16785 millions de DM en 1988, ne sont pas incluses dans les valeurs indiquées ci-dessus.
