6th February, 1962.

Dear General Norstad,

As Mr. Stikker mentioned in his letter to you of 31st January, he will be away in the United States until 10th February. I have therefore read your letter of 3rd February and I am very glad to learn that you will be able to brief the Council on 14th February on "Live-Oak" and NATO military planning in connection with Berlin including a discussion of the forward strategy and a report on the general progress on Berlin planning.

I intend to inform the Council of this at their meeting tomorrow, and I will draw Mr. Stikker's attention to your letter as soon as he returns.

Yours sincerely,

A. Casardi

General Lauris Norstad,
SACEUR,
