MEMORANDUM FOR: Deputy Secretary General, North Atlantic Treaty
Organisation.

SUBJECT : Berlin Contingency Planning.

1. Attached is a copy of the SGN reply to the Canadian Question on the selective use of atomic weapons. I have this date asked the SGN if it was their intention to reflect the type of Govt approval envisioned in Par 8 of CM (61) 104 in the terminology in Par five of the enclosure and if so whether they would agree to my changing it to read "decision by governments at the time" rather than "governmental decision". I should hear from them on this point by Monday night.
