E&F/CA.66/182 of 22 September 1966 ✓

I should like to suggest a drafting amendment to the final paragraph of the draft PO submitted behind my minute of 22nd September 1966 quoted above.

2. I suggest that the final paragraph of the PO should read as follows:-

"6. It is suggested that the Council :

approves MCM-121-66 of 25 August 1966 on the same basis as its approval of the original Berlin plans as set out in paragraph 14 of the Annex to C-R(62)53".

3. The use of the word "basis" conforms with para. 14 (3) of the Annex to C-R(62)53.
