

2 December, 1966.

To: Mr. Hockaday
From: F.D. Gregh
c.c.: Mr. Menne

I asked General Schmueckle, of the German Delegation, today if we could be informed of the fate of the German request according to which the discussion by the Council of an amendment to the BERCOM plan has been postponed a few weeks ago.

After enquiring, General Schmueckle called me back to say that his Delegation hoped to receive instructions from Bonn next week. He will then follow on by calling Mr. Menne or Mr. Hockaday.
