

02 September 2003

Agenda

**Prevention and Remediation Issues
In Selected Industrial Sectors Pilot Study**

Non-Ferrous Mining Sector

September 7-11, 2003

Baia Mare Conference Center

Baia Mare, Romania

Sunday, September 7, 2003

18:30 Reception - Hotel Mara (casual dress)

Monday, September 8, 2003

8:30 Registration & Coffee

9:00 Opening of Meeting - Mr. Ioan Buda - The Prefect of Maramures County,
Cristian Anghel - Mayor of City of Baia Mare,
Mr. Ilie Sarbu Minister of Agriculture, Forests, Waters and Environment,
and Mr. Petru Lificiu, Secretary of State for Environment

9:30 Welcome - Walter W. Kovalick, Jr. and Stephen C. James (Pilot Study Directors)

9:45 Break and Press Conference

10:30 Introduction of Study Members and Guests

11:30 Presentation of Pilot Study & Open Discussion among Participants

12:30 Lunch

13:30 Welcome and CCMS Update - Olivier Landour (NATO/CCMS Programs)

14:00 Risk Assessment Case Study - Safety and Risk Assessment for Aurul Tailing Pond, Baia
Mare, Romania - Dan Stematiu (Romania)

14:45 Break

15:15 Field Trip - AURUL Mining Site

17:30 Return from Field Trip

19:00 Dinner

Tuesday, September 9, 2003

- 8:30 Registration & Coffee
- 9:00 Industry Overview and Assessment - EU Mining Project PECOMINES - Marco D'Alessandro (European Union)
- 9:45 Environmental Impacts of the Romanian Mining Industry - Mr. Cornel Florea Gabrian (Romania)
- 10:30 Break
- 11:00 Preliminary Discussion of Industrial Sectors for Next Meeting
- 11:30 Tour de Table Presentations (15 minutes each)
- UK
Canada
Germany
- 12:30 Lunch
- 13:30 Remediation Strategies Overview - Remediation of Metal Contaminated Sites - Ludo Diels (Belgium)
- 14:15 Prevention/Remediation Case Study - Prevention/remediation Case Study Addressing Mining Sites in Greece - Anthimos Xenidis (Greece)
- 15:00 Break
- 15:30 Remediation Case Study - Almaden: Remediation Techniques in the Largest Mercury Mining District of the World - Pablo Higuera (Spain)
- 16:15 Remediation Case Study - The Deloro Mine Site Demonstration Project - Konstantin Volchek (Canada)
- 17:00 Adjourn
- 18:30 Dinner

Wednesday, September 10, 2003

- 8:30 Registration & Coffee
- 9:00 Prevention/Remediation Case Study - The District of Goslar; One the World's Most Important Mining Areas in Former Times and a Severe Ecological Burden Today; How Can the Competent Authority Cope with such a Heritage? Juergen Bauer (Germany)
- 9:45 Prevention/Remediation Case Study - Selection of Remediation Measures for Contaminated Mine Sites in Northern Canada - Michael Nahir (Canada)
- 10:30 Break
- 11:00 Prevention/Remediation Case Study - Risk Reduction of the Mining Accidents in the Tisza Basin - Ms. Adriana Eftimie (Romania)
- 11:30 Mining Remediation Technology Developments and Information Resources - Walter Kovalick (US)
- 12:00 Lunch
- 13:00 Remediation Case Study - Remediation Schemes to Mitigate the Impacts of Abandon Mines - Brian Bone (United Kingdom)
- 13:45 Future Outlook for Non-Ferrous Mining Sector - George Bockosh (United States)
- 14:30 Participants Discussion, Selection of Venue and Sector for Next Meeting
- 15:15 Adjourn and Closing of Meeting
- 19:00 Dinner
