

PROGRAMME

RISK ASSESSMENT AND ENVIRONMENTAL SECURITY IN THE BALTIC SEA REGION

EAPC Workshop

6-7 May 2008

Lithuanian Academy of Sciences, Gedimino av. 3, Vilnius, Lithuania

6 May 2008, 18⁰⁰ – Welcome dinner (hotel “Novotel Vilnius”, Gedimino av. 16)

7 May 2008, 10⁰⁰ – EAPC Workshop (Lithuanian Academy of Sciences, Gedimino av. 3)

▼ **OPENING OF THE EAPC WORKSHOP**

- 10⁰⁰–10¹⁰ **Petras Vaitiekunas**, Minister of Foreign Affairs of Lithuania
10¹⁰–10²⁰ **Zenonas Rokus Rudzikas**, President of Lithuanian Academy of Sciences
10²⁰–10³⁰ **Linas Linkevicius**, Ambassador of Lithuania to NATO

▼ **PRESENTATIONS**

- 10³⁰–10⁵⁵ **Outline of Environmental Genotoxicity and Ecotoxicological Risk of Pollution in Different Zones of the Baltic Sea**
J. Barsiene, A. Rybakovas, L. Andreikenaite, Institute of Ecology of Vilnius University, Lithuania
- 10⁵⁵–11²⁰ **Belarus' Commitment to Transboundary Environmental Security Processes: Mitigation of Risks of POPs Transboundary Contamination of the Zapadnaya Dvina River (Daugava) Basin**
Y. Solovjov, consultant of the Ministry of Natural Resources and Environmental Protection of the Republic of Belarus on the issues of international technical assistance
- 11²⁰–11⁴⁵ **Overview of Risks and Environmental Security Problems in Offshore Kaliningrad Region**
V. Sivkov, M. Ulyanova, Institute of Oceanology, Kaliningrad, Russia
- 11⁴⁵–12¹⁰ **Effect-directed Analysis: Relating Effects to Contaminants in the Marine Environment**
J. de Boer, Institute for Environmental Studies of VU University, The Netherlands

DISCUSSIONS

- 12¹⁰–12⁴⁰ **COFFEE BREAK**
- 12⁴⁰–13⁰⁵ **Problems and Environmental Safety in the Lithuanian Area of the Baltic Sea**
K. Joksas*, G. Lujaniene**, * Institute of Geology and Geography, ** Institute of Physics, Lithuania
- 13⁰⁵–13³⁰ **Security Issue in Oil and Gas Pipeline Operation**
J. Małachowski, Military University of Technology, Poland
- 13³⁰–13⁵⁵ **Application of Preventive Measures for Reduction of Environmental Load to the Baltic Sea**
J.K. Staniskis, J. Kruopiene, J. Dvarioniene, V. Arbaciauskas, Institute of Environmental Engineering of Kaunas University of Technology, Lithuania
- 13⁵⁵–14²⁰ **Developing Pro-environmental and Deep-water Security Technologies at Gdansk University of Technology**
L. Rowinski, L. Matuszewski, Gdansk University of Technology, Poland
- 14²⁰–14⁴⁵ **Sediment Pollution and Benthic Community in the Tosmare Channel (former military harbour Liepaja; Eastern Baltic Sea)**
M. Balode, V. Jermakov, Latvian Institute of Aquatic Ecology, Riga, Latvia
- 14⁴⁵–15³⁰ **DISCUSSIONS AND CONCLUDING REMARKS**

EAPC Workshop moderator - V. Ostasevicius, Chairman of Division of Technical Sciences of Lithuanian Academy of Sciences

*English is the official language of the EAPC Workshop
Presentations are limited to 20 min. and 5 min. are allocated for subsequent discussions*
