NATIONAL SECURITY SERVICE (SNS)  
OPERATIONS SECTOR**

**OFFICIAL SECRET  
TOP SECRET**

**NO.: 49-2-63/99  
MOSTAR, 27 SEP 99**

**SUBJECT: LIVNO, EXECUTED ACCORDING TO OPERATION ACTION "PUMA", REPORT  
DELIVERED TO, -**

ON 25 SEP 99, TOGETHER WITH PERSONNEL FROM THE SNS CENTER-LIVNO, CONTACT WAS EXECUTED WITH THE DINARA HOTEL DIRECTOR, MR. ZDENKO KONTA, WHO SHOW MAXIMAL READINESS TO COOPERATE WITH US.

AT THAT TIME, THE INTERIOR OF THE HOTEL WAS PHOTOGRAPHED, WITH PHOTOGRAPHING THE ROOMS BEING THE PRIORITY, ALSO THE EXTERIOR OF THE HOTEL AND CLOSER NEIGHBORING BUILDINGS.

FROM THE SAME, WE TOOK A LIST OF TELEPHONE NUMBERS WHICH ARE CONNECTED TO THE HOUSE TELEPHONE CENTRAL STATION OF THE HOTEL DINARA, TYPE OF TELEPHONE WAS "ERICSSON BUSINESS PHONE 50".

AFTER THAT, ON THE SAME DAY, CONTACT WAS ESTABLISHED WITH MR. ANTUN CRNJAK, WHO FULFILLS THE DUTY OF DIRECTOR OF DISTRIBUTION IN TKC (TELECOMMUNICATIONS CENTER) LIVNO, AND WITH THAT SAME INDIVIDUAL GO THROUGH THE RAZDJELNIK AND MEDURAZDJELNIK (DOCEX COMMENT: NEW CROATIAN WORD-NOT SURE OF MEANING, NOT IN DICTIONARY) WHERE WE FOUND A CABLE WHICH RUNS TO OFFICES OF THE SNS CENTER LIVNO (IN THE MUP BUILDING IN LIVNO), WHERE THE POSSIBILITY OF LISTENING TO TELEPHONE CONVERSATIONS FROM THE HOTEL DINARA AROSE, IN THE IPTF BASE, IN THE UNHCR BASE AND IN THE CITY OF LIVNO, AND A SAFE WAS FOUND IN THE MEDURAZDJELNIK (DOCEX COMMENT-MOST LIKELY HALLWAY IN THIS CASE) CONTENTS AND OWNERSHIP UNKNOWN (MR. ANTUN CRNJAK DIDN'T KNOW WHERE IS CAME FROM NOR WHO OWNED IT), AND IT WAS NECESSARY TO FORCIBLY OPEN I AND CONFIRM IF WITHIN IT THERE WAS THE MISSING EQUIPMENT FROM THE SNS CENTER LIVNO, WHICH WOULD MAKE IT POSSIBLE TO USE THE EQUIPMENT INSTALLED IN THE OFFICES OF THE SNS CENTER LIVNO IN THE MUP BUILDING.

WITH AN EMPLOYEE FROM THE SNS CENTER LIVNO WE WENT IN THE FIELD, AND RECORDED THE SITUATION REGARDING FOLLOWING (COMMUNICATING) THE HAGUE INVESTIGATIVE TEAM AND OTHER INTERNATIONAL ORGANIZATIONS IN LIVNO, WITH COMMUNICATION EQUIPMENT (RADIO EQUIPMENT).

WE HEARD FROM UNCONFIRMED SOURCES THAT ON THE RADIO-RELAY STATION "TUSNICA", PEAK 1462, THERE ARE SFOR FORCES WHO ARE SECURING THE FACILITY WHERE THEY HAVE THEIR EQUIPMENT INSTALLED.

FROM THE SAME SOURCE WE ALSO FOUND OUT THAT ON PEAK 1797, LJUBUSA, SFOR FORCES ARE STATIONED WITH INSTALLED EQUIPMENT-PURPOSE UNKNOWN.

ACCORDING TO OUR JUDGEMENT REGARDING THE FACILITY "TUSNICA", COMMUNICATION EQUIPMENT HAS BEEN INSTALLED, AND AT THE LJUBUSA FACILITY THEY HAVE A CENTER FOR LISTENING (DOCEX-EAVESDROPPING), WHICH SERVES THE AREAS OF TOMISLAVGRAD, KUPRES, LIVNO AND BOSANSKO GRAHOVO.

WITH FURTHER OPERATIVE WORK WE HAVE CONFIRMED THAT IN THE VICINITY OF THE BUILDING OF THE REPUBLIC OF CROATIA'S CONSULATE IN LIVNO, WEST OF THAT BUILDING UNHCR IS STATIONED (IN A RESIDENTIAL HOUSE) WITH THE FOLLOWING COMMUNICATIONS:
