EADRCC REQUEST FOR INTERNATIONAL ASSISTANCE **COVID-19**

Message Nbr. : OPS(EADRCC)(2020)0076(***REV1***)
Date & time : 3 April 2020, 19:00 UTC
From: : Euro-Atlantic Disaster Response Coordination Centre
To : Points of Contact for International Disaster Response in NATO and
partner countries
Precedence : Priority
Originator : EADRCC Action Officer
Reference : EAPC(C)D(98)10(Revised)

This request consists of 4 pages

Changes compared to the previous version are in bold and italic

1. In accordance with the procedures at reference, EADRCC has received today, Friday 3 April 2020, a request for international assistance. The following information was provided.

2. **General situation**

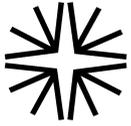

Type of the Disaster : COVID-19 pandemic
Date and Time the Disaster occurred : Beginning of February 2020 and ongoing
Location of the Disaster : Georgia, countrywide

3. **Initial assessment of the damage and description of the situation**

3.1. On 26 February, 2020, the first case of COVID-19 was detected in Georgia. Soon thereafter, direct flights from China, Iran and Italy were suspended. Land border crossing points were closed for passenger traffic; only cargo was allowed.

3.2. The Prime Minister of Georgia established, and leads, a Cross Government Coordination Council to combat the Novel Coronavirus.

3.3. On 21 March, the State of Emergency was declared for a period of one month in response to COVID-19 outbreak. Different measures were introduced.

3.4. On 31 March, within the scope of the State of Emergency, a nationwide curfew was declared and further restrictive measures were introduced: the public transport halted, the population requested to self-isolate and elderlies aged over 70 required to stay home. Mobility is restricted to 3 people per vehicle, and in public spaces. Only groceries, pharmacies, fuel/gas stations and banks are authorized to operate.

3.5. Moreover, the Government of Georgia will allocate GEL 2 billion in support to the economic performance, as well as assist those whose unemployment is attributed to COVID-19.

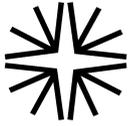

3.6. In response to the global pandemic, all available resources have been engaged to stop the spread of COVID-19, in all sectors and the whole of society.

3.7. The Government of Georgia took the highest level political decision to request the international assistance for the below listed equipment and sanitary supplies.
