This report consists of : - 5 - pages

1. In accordance with the procedures at reference, NATO has received on 05 February 2015, a disaster assistance request from Albania (AL).

The following information has been provided:

**2. General Situation**

Type of the Disaster : Snowfall and heavy rainfalls causing floods  
Date and Time the Disaster occurred : 31 January 2015  
Location of the Disaster : North and South parts of Albania

**3. Assessment of the situation:**

3.1. Due to continuous heavy rainfalls beginning from 31 January 2015, the water level of large rivers has increased and it has caused floods in various parts of Albania.

**3.2. According to the information provided by General Directorate for Civil Emergencies - Ministry of Internal Affairs of Albania, the water levels of the rivers Vjosa, Drino, Osumi and Gjanica are decreasing.**

**3.3. Unfortunately, there has also been one casualty due to the flooding.**

3.4. The most problematic areas are Vlora and Fieri district. Currently, over 250 families are evacuated, 340 building/houses are flooded (presence of water), 5975 acres are flooded and 53.000 livestock and birds have died.

3.5. Several cases of road damages have been reported and there are traffic restrictions due to the small and medium scale landslides.

3.6. Some schools and kindergarten in flooded areas are closed because of the flooding and electricity cut.

3.7. The “Maskurie” water reservoir situated in the Municipality of Kavaja of the district of Tirana, has been over flown as a result of the precipitation during the last days, which has increased the risk of breaking the dam.

4. National resources available for disaster response and measures taken.

4.1. Relevant state institutions and operational forces (Armed Forces, police, fire fighting services, Albania Red Cross, Emergencies voluntary services) have been activated in consequence management operations.

4.2. Many NGO are included in delivery in food supplies for the affected families. The situation is foreseen to worsen in the coming hours, because it is expected to have more rainfalls and snow in North and East of Albania.

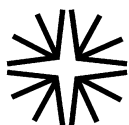

5. Assistance provided by Allied and Partner nations and International organizations:

5.1. Austria has offered the following assistance on 05 February 2015 through the Union Civil Protection Mechanism:

- 1000 blankets (Red Cross Standard, 150x200cm, 50% wool, 50% synt.)
- 500 field beds
