This report consists of : -4- pages

1. In accordance with the procedures at reference, EADRCC has received on 24 March 2017, a request for assistance. The following information was provided. (new information in **bold**)

2. General Situation

On 23 March 2017, a fire occurred at an ammunition depot in Balaklia, Kharkiv region, Ukraine. The ensuing explosions caused one fatality, two casualties and the immediate evacuation of 20,000 people from a 10 km danger area.

Response actions by the national authorities:

Fires at a military depot in northeastern Ukraine's Kharkov region have been extinguished now and the evacuated citizens have returned home according the information provided by the State Emergency Service of Ukraine (SESU). The pyrotechnic units of the SESU cleared the territory of Balakliya and 9 suburbs from explosive ordnance. The electricity and partially gas supplies have been restored to Balaklia. 2,063 persons and 185 vehicles, among them 278 personnel and 57 vehicles, 15 pyrotechnic units (75 persons and 27 vehicles) from the SESU have been engaged in the emergency response.
