This report consists of : -3- pages

1. In accordance with the procedures at reference, EADRCC received on 22 August 2017, a request for assistance from Georgia. The following information was provided:

2. General Situation

Type of the Disaster : Forest and wild fires  
Date and Time the Disaster occurred : August 20<sup>th</sup> 14:00 pm and ongoing  
Location of the Disaster : Georgia

3. **Assessment**

A major forest fire started near Daba village, Borjomi Municipality- Georgia on 20 August at 14:00. The mountainous terrain and strong winds make it extremely difficult to bring the fire under control. The affected area covers about 35 hectares of forest. Situation remains critical.

Georgian authorities involved the following resources in the firefighting operations: 2 helicopters, 400 Firefighters-rescuers, 26 fire trucks, 100 forest guards, 500 Special Tasks Department representatives, 28 units of heavy-duty vehicles are involved in road construction works to create access to the disaster area and to contain the fire.

**NON - CLASSIFIED**

**On-Site Operations Coordination Centre (OSOCC) and Local Emergency Management Agency (LEMA) centers are established close to the disaster area. LEMA consists of almost all intergovernmental representatives. According to the action plan the disaster zone is split in sectors. Due to the high winds fires that were already extinguished became newly engulfed in flames. General Situation remains critical.**

4. Assistance provided:

- Republic of Azerbaijan provided 1 helicopter on Monday 21 August and it was involved in firefighting operations all day of 22nd of August. A second firefighting helicopter and two transport helicopters **with 6 personal** started to operate on 23 August. Azerbaijan also provided on 23 August the following ground capabilities: **118** firefighters-rescuers, 12 fire trucks and a logistic support unit (7 special vehicles, including mobile kitchen).
- Republic of Turkey provided 2 helicopters and 1 firefighting aircraft on 22 August.
- Republic of Belarus provided 1 helicopter “Mi-26”, which started the firefighting operations on 23 August
- Armenia provided 65 firefighters-rescuers and 13 vehicles

5. Following international assistance is required:

**-6 High water capacity airplanes**

-6 Firefighting helicopters with water buckets.

6. The coordinates of the affected area are: 41°49'18.90"N 43°27'3.62"E

7. Point of Entry:

Tbilisi International Airport  
Batumi International Airport  
Kutaisi International Airport
