SGLP 687/61

17 November 1961

MEMORANDUM FOR : Secretary General, North Atlantic Treaty Organization

Attention : Executive Secretary

SUBJECT : Plan of Action in Face of Berlin Crisis

References : a) SGLP 653/61 dated 4 November 1961 ✓
b) SGLP 625/61 dated 31 October 1961

1. Our records now indicate that all major commanders' and Military Committee actions and evaluations on country responses have been circulated to Delegations with the exception of CINCHAN's Overall Evaluation and of the Military Committee's endorsement of SACLANT's and CINCHAN's evaluations. The latter was forwarded to you by reference (a). The former was included in CINCHAN's Overall Evaluation of Country Responses to the Interim Review Questionnaire forwarded to you by reference (b).

2. In order to complete the series on the Plan of Action papers, the Standing Group has authorized deletion of Section I of Enclosure 2 to reference (b) and the circulation of Sections II, III and IV as CINCHAN's Overall Evaluation of the Plan of Action in the Face of the Berlin Crisis. These should be re-numbered as a separate paper with appropriate heading. The circulation of this extract of the Enclosure to reference (b), and of the substance in reference (a) should complete distribution of military actions on this subject.
