

## **ANNEX E: ANALYSIS OF QUESTIONNAIRES**

# Advanced Cancer Risk Assessment Methods

## Study Type

Standard

### 1\_1 Major Changes

Free choice of discussion topics; Networking beyond EU. Eastern Europe, USA boundary; Policy development in partner countries

### 1\_2 Technology Transfer

Books; CCMS Reports; Journals; Reports

### 1\_3 Training

Awareness of external conferences etc

### 1\_4 RandD

No Information

### 1\_5 Countries helped

Belarus, Czech Republic, Lithuania, Moldova, Ukraine (meeting on Chernobyl being planned)

## 2 Initial Aims

Networking; Technology Transfer; Useful to Partner Countries

## 3 Reached expectations

Fully achieved

## 4 Successes Reported

Aspirational goals

## 5 Publications

Wide Additional

### 6\_a Pilot Study Improvements

invite delegates from other international orgs

### 6\_b CCMS Improvements

none suggested

## 7 Additional CCMS Support

Meetings in Partner Countries

## 8 Interactions

OECD; OSCE; Other Pilot Studies; UN etc

## 9 Comments

None

## Deprived Urban Areas

No reply received yet

# **Disaster Preparedness Plans Responding to Chemical Accidents (Health and Medical Aspects)**

## **Study Type**

Standard

## **1\_1 Major Changes**

First Awareness of the Issue; National Policies; Networking beyond EU. Eastern Europe, USA boundary; Policy development in partner countries; Problem Prevention; Significant Policy Advances

## **1\_2 Technology Transfer**

CCMS meetings; CCMS Reports

## **1\_3 Training**

Technology Transfer / exchanges; Training Materials

## **1\_4 RandD**

Individual Projects; Strategic R&D initiated

## **1\_5 Countries helped**

All participating

## **2 Initial Aims**

Policy Forum; Problem prevention; Promote Scientific Cooperation

## **3 Reached expectations**

Fully Achieved

## **4 Successes Reported**

Aspirational goals

## **5 Publications**

NATO Givens

## **6\_a Pilot Study Improvements**

multiple participants per country; Ongoing Internet activities; ongoing meetings between major events; use of support personnel

## **6\_b CCMS Improvements**

ongoing forum for nonmilitary topics; support for delegate T&S

## **7 Additional CCMS Support**

support for post-Pilot Study follow up meetings

## **8 Interactions**

Pan American Health Organisation

## **9 Comments**

# Environmental Impact Assessment

## Study Type

Standard

## 1\_1 Major Changes

EU Policies; Networking beyond EU. Eastern Europe, USA boundary

## 1\_2 Technology Transfer

CCMS meetings; CCMS Reports

## 1\_3 Training

No Information

## 1\_4 RandD

No Information

## 1\_5 Countries helped

Poland , Hungary, Czech Republic, Slovak Republic, Romania, Russia, Estonia

## 2 Initial Aims

Networking; Policy Forum

## 3 Reached expectations

Largely Achieved

## 4 Successes Reported

Aspirational goals

## 5 Publications

NATO Givens

## 6\_a Pilot Study Improvements

Co-operation with other networks; more frequent meetings

## 6\_b CCMS Improvements

Financial support for additional initiatives; Financial support for Pilot Study organisation / meetings; funding - more delegates

## 7 Additional CCMS Support

Employ a meetings co-ordinator for the Pilot Study; Improved route for dissemination of CCMS work in national governments

## 8 Interactions

International Association of Impact Assessment

## 9 Comments

None

# Indoor Air Quality

## Study Type

Standard

### 1\_1 Major Changes

EU Policies; First Awareness of the Issue; National Policies; Significant Policy Advances; Significant Technological Advances

### 1\_2 Technology Transfer

Books; CCMS meetings; CCMS Reports; Journals; NATO ARW / ASI

### 1\_3 Training

CCMS meetings; NATO activities; Training Materials

### 1\_4 RandD

No Information

### 1\_5 Countries helped

## 2 Initial Aims

Promote Scientific Cooperation

## 3 Reached expectations

Largely Achieved

## 4 Successes Reported

General desires

## 5 Publications

Wide Additional

## 6\_a Pilot Study Improvements

Commitment for support from leading countries

## 6\_b CCMS Improvements

Commitment for support from leading countries; Consensus between countries before launching a PS; Support for information dissemination

## 7 Additional CCMS Support

none suggested

## 8 Interactions

UN etc

## 9 Comments

None

# **International Technical Meetings on Air Pollution and its Application**

## **Study Type**

Ad hoc

## **1\_1 Major Changes**

National Legislation; National Policies; National Regulations

## **1\_2 Technology Transfer**

Books; CCMS meetings; Conferences etc

## **1\_3 Training**

CCMS meetings; Professional Development; Secondments/Exchanges; Technology Transfer / exchanges

## **1\_4 RandD**

Partner Country Links

## **1\_5 Countries helped**

Many

## **2 Initial Aims**

Networking; Promote Scientific Cooperation; Stimulate RandD; Technology Transfer

## **3 Reached expectations**

Fully achieved

## **4 Successes Reported**

Specific objectives defined

## **5 Publications**

NATO Givens

## **6\_a Pilot Study Improvements**

none suggested

## **6\_b CCMS Improvements**

funding - more delegates

## **7 Additional CCMS Support**

funding - more delegates

## **8 Interactions**

## **9 Comments**

Support from CCMS is excellent

# Management of Industrial Toxic Wastes and Substances Research

## Study Type

Standard

### 1\_1 Major Changes

National Policies; National Regulations

### 1\_2 Technology Transfer

No Information

### 1\_3 Training

No Information

### 1\_4 RandD

No Information

### 1\_5 Countries helped

Greece; Portugal, Romania; Belarus

## 2 Initial Aims

Networking; Technology Transfer; Policy Forum; Stimulate RandD

## 3 Reached expectations

Fully achieved

## 4 Successes Reported

General desires

## 5 Publications

Narrow Additional

## 6\_a Pilot Study Improvements

More Meetings; More Countries

## 6\_b CCMS Improvements

younger fellows

## 7 Additional CCMS Support

Finance Workshops; Fellowships for Partner Countries

## 8 Interactions

Federations / Institutions; EU Concerted Actions

## 9 Comments

---

<sup>1</sup> The Director of his Pilot Study left his position early. For this reason the Pilot Study was concluded prematurely, but did present its findings in its ASI report (see Annex B).

# Protection of Astronomic and Geophysical Sites

## Study Type

Standard

### 1\_1 Major Changes

First Awareness of the Issue; National Policies

### 1\_2 Technology Transfer

CCMS meetings; CCMS Reports; Conferences etc

### 1\_3 Training

No Information

### 1\_4 RandD

No Information

### 1\_5 Countries helped

France; Italy; Japan; USA; Spain; Australia

## 2 Initial Aims

Networking; Policy Forum

## 3 Reached expectations

Partially Achieved

## 4 Successes Reported

Specific objectives defined

## 5 Publications

Wide Additional

### 6\_a Pilot Study Improvements

none suggested

### 6\_b CCMS Improvements

none suggested

## 7 Additional CCMS Support

none suggested

## **6\_a Pilot Study Improvements**

More Countries

## **6\_b CCMS Improvements**

CCMS to attend Pilot Study meetings; General CCMS Information Digest

## **7 Additional CCMS Support**

support for spin-offs

## **8 Interactions**

Ad Hoc International Working Groups; EU Concerted Actions; OECD; UN etc

## **9 Comments**

Support from CCMS is excellent

# **Review of Environmental Projects of the Caspian Sea for the planning of Future Activities**

## **Study Type**

Short

### **1\_1 Major Changes**

First Awareness of the Issue; Policy development in partner countries; Problem Prevention

### **1\_2 Technology Transfer**

CCMS meetings; CCMS Reports

### **1\_3 Training**

CCMS meetings

### **1\_4 RandD**

No Information

### **1\_5 Countries helped**

Turkey, Azerbaijan Kazakhstan Russia Turkmenistan Ukraine

## **2 Initial Aims**

Problem prevention; Promote Scientific Cooperation; Review Regional Problems; Stimulate RandD

## **3 Reached expectations**

Largely Achieved

## **4 Successes Reported**

Aspirational goals

## **5 Publications**

NATO Givens

## **6\_a Pilot Study Improvements**

Identify more experts

## **6\_b CCMS Improvements**

Direct access to scientists / not via nat. reps

## **7 Additional CCMS Support**

Support exchange visits

## **8 Interactions**

Caspian Environment Programme

## **9 Comments**

None

# **Review of Ongoing Black Sea Projects for the Planning of Future Activities**

## **Study Type**

Short

## **1\_1 Major Changes**

Intergovernmental policy; Networking beyond EU. Eastern Europe, USA boundary

## **1\_2 Technology Transfer**

CCMS meetings; CCMS Reports

## **1\_3 Training**

CCMS meetings; Technology Transfer / exchanges

## **1\_4 RandD**

No Information

## **1\_5 Countries helped**

Turkey, Bulgaria, Romania, Ukraine, Russia, Georgia

## **2 Initial Aims**

Establish basis for international funding of projects; Policy Forum; Promote Scientific Cooperation

## **3 Reached expectations**

Largely Achieved

## **4 Successes Reported**

Aspirational goals

## **5 Publications**
